## NEWS in BRIEF

CHICAGO (UPI) — A storm which reached tornadic proportions in some areas swept Chicago and its suburbs today, collapsing a roof on two sleeping sisters and smashing homes, trees and power lines.

The high winds caved in the roof of a slum area apartment building on the South Side and showered bricks and mortar on Caroline Igram, 4, and her sister, Patricia, 3. Neighbors dug through the debris to free the girls and they were hospitalized, apparently not seriously injured. Homes were damaged, lightning-sparked fires flared, trees and power lines were bowled over and windows were shattered as the storm swept the city.

WASHINGTON (UPI) — Barring White House intervention, it appeared today the Senate Foreign Relations Committee's 25 percent cut in foreign aid for India will be allowed to stand — at least for a while.

Coming events — coupled with a probable disinclination of senators to be in any hurry to pull back this slap at the government of Prime Minister Jawaharlal Nehru — made it highly unlikely the committee would take another look at its action before May 21. If the narrow 8-7 vote is not reversed in committee, ranking members promised they will try to restore the eliminated economic aid on the Senate floor.

WASHINGTON (UPI) — The United States set off two nuclear explosions in the Pacific Friday. One of them, an underwater blast, may have been an anti-submarine rocket.

## Pinkley Paper Drops to Weekly

BANNING — The Pass Observer, a daily newspaper established one year ago last November 7 by Virgil Pinkley, has retrenched to weekly publication, effective yesterday.

The paper was established, Pinkley said at the time, to add a constructive newspaper force to the Pass area. It was in competition with the daily Banning Record, pioneer paper in the Pass.

## Tortoise Tim Contest Winners To Take Mothers to Breakfast

Three Palm Springs school pupils will take their mothers to breakfast and present each of them an orchid corsage under the auspices of The Desert Sun on Sunday morning.

The proud girls, winners of the Tortoise Tim Mother's Day Essay Contest, are:

Ruth Niedrist, 7, daughter of Mrs. Max (Frieda) Niedrist of 3762 Sunny Dunes Road, a first grader at Cielo Vista School.

Susan Bunting, 10, daughter of Mrs. Richard (Jackie) Bunting of 2079 Paseo Roseta, a fourth grader at Cahulla School.

Susan Noyes, 9, daughter of Mrs. Richard L. (Darlene) Noyes of 71-521 Tangier, a sixth grader at Cathedral City School.

## Palm Desert Lad Wins Scholarship

William Eickelmann, 14, of Palm Desert, a carrier boy for The Desert Sun, has been selected as one of 12 California youths to receive honors as "Newspaperboy of the Year" by the Newspaperboy Foundation.

And as one of these 12 outstanding young men, Billy, the son of Mr. and Mrs. Wilbert O. Eickelmann, 73-979 Avenue 44, has received a \$100 Junior college scholarship from the foundation.

Sun Circulation Manager Ralph E. Naylor said Billy was selected for the honor in judging on two categories of performance:

1. His record as a carrierboy during the last year, covering de-

livery, collections, sales record, general attitude and length of service.

2. Scholastic achievement, including grades, citizenship, attitude in school and extra-curricular activities. (The report on Billy's attainment shows a grade average of "A" at Our Lady of Perpetual Help School in Indio.)

Stanley Konczynin, manager of the Bank of America branch in Palm Desert participated in the presentation with Billy and Naylor. The scholarship money will be held at Konczynin's bank in a trustee savings account for Billy until he is ready for college study, Naylor said.

Billy's mother, Mrs. Catherine Eickelmann, was a happy woman when she learned of the award. "I thought he was just an average good boy," she said.

The mother added that Billy, an eighth grader and president of his class, probably will enter Indio High school next year, is fond of sports. He plays first base on the Eldorado Palms Pony League team.

Mrs. Eickelmann said Billy was pleased about the award, but that probably his proudest moment came at church a short time ago — he shook hands with President Kennedy.

## Information Chief Killed In Algeria

ALGIERS, Algeria (UPI)—Gunmen killed the chief government information officer at Bone today.

The slaying of Raymond Vignal occurred while police imposed daytime curfews and conducted house-to-house searches here and at Bone in an effort to smash terrorism by the Secret Army Organization.

Bone police said Vignal was shot to death in the city center. He had just stepped from his car when five bullets struck him down.

By 3 p.m. terrorists had killed 10 persons and wounded 12, bringing the year's totals to at least 4,517 dead and 8,490 wounded.

## JFK and Top Advisers Meet In Discussions

WASHINGTON (UPI) — President Kennedy met with his top military and diplomatic advisers today to consider U.S. moves, including a possible show of military force, to convince the Communists they cannot gobble up Laos.

The serious implications of the crumbling of Royal Lao defenses in northern Laos were reviewed in a meeting of Kennedy, Secretary of State Dean Rusk, Defense Secretary Robert S. McNamara and others.

McNamara and Rusk both returned Friday night from trips to Asia.

Others seen entering the White House for the top-level meeting were Vice President Lyndon B. Johnson, Undersecretary of State George Ball, Assistant Secretary of State for Far Eastern Affairs W. Averell Harriman, and Gen. Maxwell Taylor, the President's military adviser.

U.S. efforts to prevent the Communist action against the northern provincial capital of Nam Tha from growing into a possible Communist sweep appeared to be following three simultaneous lines:

—To continue diplomatic pressure on Russia to cooperate in restoring the cease-fire. The State Department said Friday the Soviet Union was capable of calling off the local Communists if it wanted to.

—To press for resumed negotiations between the rival, right-wing, nationalist and Communist princes of Laos to transfer their dispute from the military to the political arena and to seek to form a coalition government.

—Consideration of what the United States might have to do, in the event that Gen. Phoumi Nosavan's central government forces continue to deteriorate, to prevent this sudden "vacuum" from being an open invitation to the Communists to take over the whole country.

In December, 1960, during an earlier flareup of the Laos crisis, former President Eisenhower had naval units and battle ready Marines patrolling the sea off south-east Asia as a show of force. President Kennedy took similar action a year ago before a cease fire was reached. At those times dispatch of U.S. troops to countries bordering Laos was also considered but rejected.

## Laos Troop Commander In Flight

VIENTIANE, Laos (UPI) — The Laotian field commander and 2,000 of his troops have fled into Thailand after abandoning Ban Houei Sai to advancing Communist forces, U.S. military advisers said today.

The American sources said a U.S. Army captain and six enlisted men assigned as advisers to the Laotian forces also crossed the Mekong River into Thailand with the retreating government troops in order not to lose contact with them.

The Laotians who fled into Thailand were the remnants of the garrison driven more than 100 miles from Nam Tha near the Communist China border into Ban Houei Sai in a crushing Red offensive that started more than a week ago. They were commanded by Brig. Gen. La Pathamavong, who joined the flight across the river. All are interned in Thailand.

## Labor Man Resigns in Estes Case

WASHINGTON (UPI)— Assistant Labor Secretary Jerry R. Holleman resigned Friday night, acknowledging that he accepted a \$1,000 gift from Texas financier, Billie Sol Estes. He said he was unable to live within his \$20,000-a-year salary.

Holleman, a former Texas labor leader, said today he is now "just an unemployed electrician." He said he hoped to return later to Texas, but that he had no definite plans. He indicated he might have more to say "as time goes by."

Holleman said he accepted money from Estes, central figure in a snowballing controversy over government grain storage practices, because he was unable to "meet the demands I think my office places on me with my salary."

## Mystery on X15 Film Confirmed

EDWARDS AFB (UPI) — Scientists confirmed Friday they were studying unidentified objects filmed on a recent world record altitude flight of the X15 rocket ship.

Pilot Joe Walker disclosed filming of the objects during a space flight panel in Seattle, at the 2nd annual Conference on Peaceful Uses of Space.

"I didn't see the objects during the flight," Walker said. "They were taken by the X15's camera."

Spokesmen for the National Aeronautics and Space Administration expressed surprise at Walker's revelation, indicating the subject might not have been intended for release.

"It is not entirely impossible that these objects might turn out to be some defect in the film," a NASA spokesman said.

## Mrs. Stetson Funeral Rites Set Wednesday

DESERT HOT SPRINGS — Funeral services for Majorie L. Stetson, 64, 66-164 Desert View, will be conducted Wednesday at 1 p.m. in the Sunnyside Memorial Park chapel, Long Beach, with the Rev. Archie Matson, pastor of the Community Methodist Church here, officiating.

Interment will follow at the park.

Mrs. Stetson died at her home on May 10, following a long illness. A native of California, she had lived in Long Beach for 20 years prior to coming to Desert Hot Springs four years ago.

Mrs. Stetson is survived by her husband, Mitchell, of Desert Hot Springs; four sons, Oren Wade of San Diego, Fred Wade of Long Beach, Mitchell Stetson Jr. of Iraq and Kenneth Stetson of Westminster; two brothers, Merl Fisher of Washington and Fred Fisher of Tucson, Ariz.; one sister, Mrs. E. W. Roney of Honolulu, Hawaii; and seven grandchildren.

Friends may call at the Desert Mortuary here until Wednesday morning.

## GROUND BROKEN

## P.D. Library Work Started

PALM DESERT — A groundbreaking here at 4:40 p.m. Friday marked the turning point between preparation and construction of the \$50,000 community facility.

The ceremony, held on the site at Portola Avenue and Shadow Mountain Drive, was held before more than 100 civic leaders and county officials.

"This is indeed a proud day for Palm Desert, for this marks the occasion when a dream of a few, for so many years, becomes a reality that all of us may appreciate and enjoy," Hal Kapp, president of the Palm Desert Library Association, said.

**Work Praised**  
Kapp praised the work of Mrs. Cyria Henderson, former president of the PD Woman's Club, in formulating the plan for community library support by the women, the Rotary Club Chamber of Commerce, Business and Professional Women, and the Parent-Teachers' Association. Emphasizing the women's continued support, Kapp explained that the club had raised \$1,000 or more for the current \$7,000 library donation fund under leadership of Mrs. Cyria Henderson, Mrs. Edna Henderson, Mrs. Lela Thompson, and Mrs. Ann Carpenter.

The library association was formed in 1957 under the leadership of president Phil Franklin to construct a library building and promote area cultural life through a library, Kapp reported. John

Outcalt was named library architect in 1958, and Kapp named president of the association in 1959.

### Financing

Efforts for a library service district in 1961 resulted in strong community counter measures. The public subscription program and a bank loan building fund was proposed this year by Richard C. Kite, financial advisor to the association. A loan was made by the Palm Desert branch of the Bank of America, with 12 guarantors. Site for the library had been donated by Randall Henderson.

The Friday ceremony, headed by S. Ted Smith, opened with presentation of the Colors by Boy Scout Troop 76. Mrs. Randall Henderson led in the pledge of allegiance to the Flag, and the Rev. Dean Miller pronounced the invocation.

Kapp introduced guests including Dr. Roy McCall, PD Rotary club president and head of the College of the Desert; Dick Kite, chamber of commerce president; Mrs. Billie Lou Floan, Palm Springs library board official; William W. Cook, Coachella Valley Farm Bureau official; Thor Lake, PD Board of Realtors president; Phil Franklin; Cliff Henderson; and Walter Stearns, representing the Desert Community Association.

## Argentina's Government Tottering

BUENOS AIRES (UPI) — President Jose M. Guido's provisional government appeared to be tottering today despite assurances of military support.

Jose M. Raggio, who returned here from the United States to become Guido's communications secretary, decided on his arrival that he didn't want the job. There also were persistent reports that such key government figures as Foreign Minister Bonifacio del Carril, Interior Minister Jorge W. Perkins, Navy Secretary Gaston Clement and Education Minister Miguel Sussini Jr. were either about to resign or be replaced.

All of those concerned denied planning to quit, but Del Carril in particular was known to be opposed by some Argentine political elements because of his strongly pro-American policies. War Secretary Juan B. Loza declared in a general order Friday night the army "will firmly support the present government."

## More Speed On Highways Certainty

NEW YORK (UPI)—Like it or not, there's going to be more speed on America's roads in the future and it's time we began insisting that motorists be able to cope with speed, says racing car designer Mickey Thompson.

People whose reflexes are too slow for driving at 60 to 75 miles an hour should not be permitted to drive in the coming era, Thompson said.

That means using simulation machines to test reflexes of applicants for driving licenses and periodic re-examination to make sure the motorists' reflexes haven't slowed down.

### Receives Grant

Teachers College at Columbia University received recently a \$120,000 grant from the U.S. Public Health Service to devise a test to predict which motorists are likely to have an accident or violate a traffic law. The test will be developed from a three-year study of psychological characteristics of drivers.

Thompson, a young man who has made a fortune out of racing and designing cars, has joined Revell, Inc., a toymaking firm, in creating a "Speed Council" to crusade for quick adaptation of traffic laws to the new age of speed.

Revell is interested because the company sells kits of model cars, aircraft and ships to teen-agers—the lads who will be the critical element in tomorrow's army of motorists.

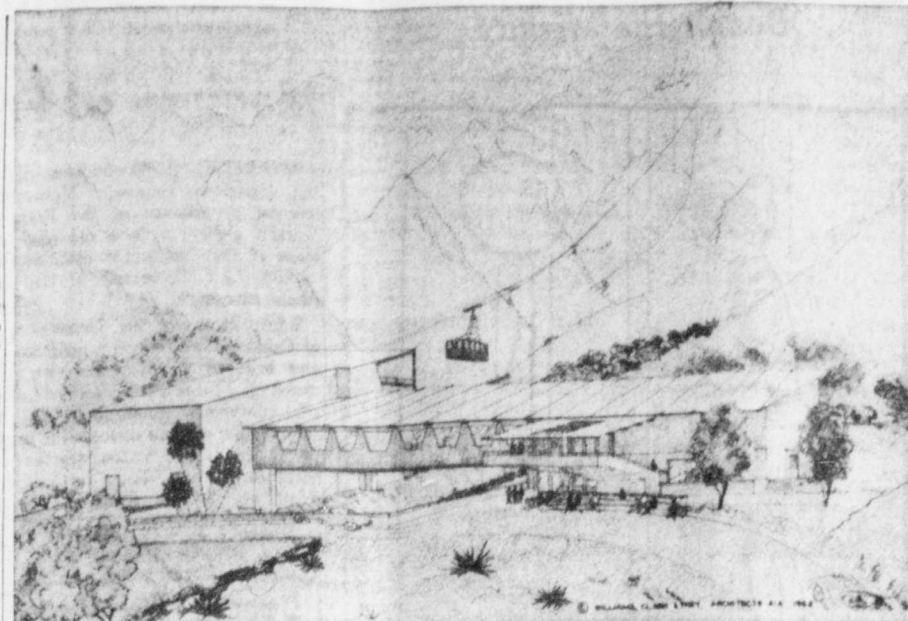

### Speeds Increase

Thompson said average driving speeds have risen in the 50 years since the general public began using cars from 20 miles an hour to over 50. He foresees an average at least 15 miles higher in the next 15 years—perhaps more.

The speed champion estimated that the auto industry and highway designers are currently spending about \$125 million to increase the average speed of driving in the years to come. "Nobody is spending any money yet to make sure the motorists will be able to cope with the faster speeds. Not all of them will, and the time to start training drivers to cope with high speed is while they are quite young."

Obviously, he said, an increase of 10 m.p.h. in average speeds has important implications besides safety.

"For the auto industry it will eliminate some customers who haven't the reflexes to drive that fast," Thompson said, "but it will also permit our highways to handle more cars per mile in a given time that should increase car sales."

BEAUTIFUL lower terminal station of Palm Springs Aerial Tramway is shown in architect's drawing of how it will appear in its Chino Canyon setting. A close look will show that the cable does not swing to the mountain top without support between. Towers can be seen on the hill-sides.

## The Argument Is Over Sex As a TV Booster

WASHINGTON (UPI)—A Senator and a television network president differed today over whether the network was trying to boost its ratings by making programs more sexy.

The key to the difference of opinion was the interpretation of what was meant by "broads, bosoms and fun."

The phrase was included in a memo which attributed it to CBS television President James T. Aubrey Jr. Aubrey appeared before the Senate Juvenile Delinquency subcommittee today. He said the phrase should not be taken to mean that he wanted lascivious sex put into "Route 66," the program discussed in the memo.

No one at CBS, he said, ever asked that lascivious sex be injected in a program to boost its rating.

But Subcommittee Chairman Thomas J. Dodd, D-Conn., who introduced the memo at the subcommittee hearing, called it a "shocking revelation" of a clear attempt to inject sex into the program.

The memo involved was among material subpoenaed from the files of CBS.

Other developments: Lending—Labor Secretary Arthur J. Goldberg told a Senate Banking Subcommittee that the federal government has a "positive responsibility" to protect consumers from concealed financing charges. He made the statement in endorsing a bill which would require lenders to make full disclosure of all lending charges.

The Bonn government maintains that the Soviet Union and East Germany soon will launch a massive hate-propaganda campaign against the Western powers despite present signs to the contrary. The campaign will have three main objectives, according to the West Germans.

### Deadly Bikes

NEW YORK (UPI) — More children are killed each year in bicycle accidents than in domestic airline crashes, the U. S. Junior Chamber of Commerce reported. An average of 450 children die annually in bicycle accidents. Plane crashes in the United States took 360 lives last year. The Junior Chamber of Commerce suggests reflective tape on bicycles for night-time safety.

## Supervisory Candidate Praises Tax Group Stand

The Coachella Valley Taxpayer's Association today drew praise from Leonard "Lenny" Wolf for its stand against "unfair assessment levies against the desert area."

Wolf, a candidate for supervisor in the fourth district, said:

"The tax assessor's office has been concentrating on farm land, rather than urban development. In this concentration it has fallen at least four to five years behind time in equalizing tax distribution. "This has resulted in many inequities. I suggest that an overburdened assessor's office employ help through the medium of private capital to clear its five-year backlog."

Wolf pointed out that the assessor's office had a budget for operational expense of \$260,000 in 1968. "This year, said the former grand jury member, "it is set up for \$300,000 — and they are still five years behind."

"They cannot hire competent help fast enough — train them at taxpayer expense — and ever catch up."

"It has been proved through capable study that private firms, trained in appraising, can do the job quicker and more economically."

Wolf took no issue with the ability of the current county assessor. He noted that the office was doing a "monumental job with too little trained help."

"This situation can be corrected," said the supervisor candidate, "by calling upon trained private enterprise — on a contract basis, to re-appraise all of the county's land tax structure. In some cases, urban developments are being assessed too highly, other are below standard. Actually, said Wolf, "farm land assessments would appear to be out of balance, and — in the lower Coachella Valley farm income of \$56 million is more than half of the county's total of \$101 million. The fourth district tax payer is paying most of the load, and getting but little in return."

Wolf took no issue with the ability of the current county assessor. He noted that the office was doing a "monumental job with too little trained help."

"This situation can be corrected," said the supervisor candidate, "by calling upon trained private enterprise — on a contract basis, to re-appraise all of the county's land tax structure. In some cases, urban developments are being assessed too highly, other are below standard. Actually, said Wolf, "farm land assessments would appear to be out of balance, and — in the lower Coachella Valley farm income of \$56 million is more than half of the county's total of \$101 million. The fourth district tax payer is paying most of the load, and getting but little in return."

### Special Services at Community Church

A special service recognizing both National Family Week and Mother's Day will be conducted at the 11 a.m. worship in the Community Church of Palm Springs. Dr. James H. Blackstone, Jr., pastor, will preach on the subject "The Church in Thy House." Special music will be presented by the Sanctuary Choir under the direction of Dan Kammeyer and Mrs. Violet Watson will sing "Memories of Mother." At the close of the service, recognition will be given to representative mothers who are present, followed by a prayer of dedication. The nursery is conducted to provide care for children under two, and a children's church makes provision for those of primary and junior age.

An adult Bible hour is held in the Sanctuary at 9:30 a.m. with Frank Cary, teacher of the adult Sunday School Class, bringing a

Youth groups hold their meetings at 6:15 p.m. with Mr. and Mrs. Sterling Keyes supervising the junior highs, and Reverend Charles Brown, the high schoolers.

The evening worship is held at 7:30 p.m. The Reverend Brown will preach. Participating in the services will be Mr. and Mrs. Ted Greene and Mr. Bill Lux. All are invited to join in these services in the Community Church.

### Dr. Carpenter Guest Speaker At P.S. Church

Dr. John Hefferlin, Minister of the Palm Springs Church of Religious Science has announced that Dr. Mark Carpenter will be guest speaker for Sunday, May 13, at the Plaza Theater at 11 a.m.

Dr. Carpenter is the head of the Department of Affiliated Churches of Religious Science and has just recently returned from an extensive trip throughout northern California where he visited and inspected most of the Religious Science Churches in that area. He conducted the Ministers' Conference held at Squaw Valley the week following Easter.

Dr. and Mrs. Carpenter are the house guests of Dr. and Mrs. Hefferlin.

### God's Word For Christian Family of P.S.

Sunday activities at Our Savior's Lutheran Church of Palm Springs will center around the Guidance of God's Word for the Christian Family. Throughout the three million member Lutheran Church-Missouri Synod, to which the local Lutheran congregation belongs, Christian Family week is being observed in connection with Mother's Day.

At 9:45 a.m. a Christian Marriage Conference will be held with the general theme: "The Plus Factors in a Christian Marriage," with all adults invited. The 11 a.m. worship service will include the sermon, "So I Married a Saint?" and is specially intended for the whole family.

Rev. Reuning comments that on the surface there is some doubt we have all married saints, particularly since none of us have children that have turned out to be "angels." However, the Bible describes all believers in Christ as "heirs of the grace of life." Accepting this definition of "saint" we will find ourselves being able to live more happily and successfully with the "saints" in our own families.

All Sunday activities will take place at the church building, 1020 E. Ramon Rd.

### Cathedral City Church to Hear Rev. Miller

The morning worship service at the Community Church in Cathedral City will begin at 9:30 a.m. Our visiting minister will be Rev. Dean Miller of the Community Church in Palm Desert. His topic will be "Meet the Misses." The choir, under the direction of Harry Tomlinson will sing "He Watching Over Israel" by Mendelssohn. Members and friends are invited to come and remember Mother's Day together.

Tuesday May 15, the Women's Association will have their monthly meeting, presided over by the new president, Mrs. L. T. Allredge. The program will be a round table discussion on Missions and will be followed by a tea.

### Church of God Women's Group Held Meeting

The Womens Missionary Society of First Church of God met in the home of Mrs. Bessie Teurman, 7328 Warren Vista, Yucca Valley, for a business meeting. It was voted that the group go to the State Missionary Convention at Pasadena, May 15. The ladies surprised the pastors wife, Mrs. Whitesel, with a grocery shower.

**HITS BREAD ADS**  
WASHINGTON (UPI)—A Federal Trade Commission hearing examiner today ordered National Bakers Services, Inc., to stop claiming that "Hollywood Bread" would help people lose weight.

### Spiritual Creation Emphasized

The perfect nature of spiritual creation will be emphasized at all Christian Science services on Sunday.

Among the Bible passages to be read in the Lesson-Sermon entitled "Adam and Fallen Man" is this one from Genesis (1:26,27). "And God said, Let us make man in our image, after our likeness . . . so God created man in his own image, in the image of God created he him male and female created he them."

"God created all through Mind, and made all perfect and eternal," declares Mary Baker Eddy in a correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures." Again she says, "Existence, separate from divinity, Science explains as impossible." "Immortal men and women are models of spiritual sense, drawn by perfect mind and reflecting those higher conceptions of loveliness which transcend all material sense." (p. 205, 222, 247)

The Golden Text is from Job (8:20), "Behold, God will not cast away a perfect man, neither will he help the evil doers."

### Three Services at St. Paul's Episcopal Church on Sunday

Services for the third Sunday after Easter in St. Paul's in the Desert Episcopal Church are scheduled for 8, 9 and 11 a.m. There will be a celebration of the Holy Communion at the earlier service with the office of Morning Prayer at 9 and 11 p.m.

The Rector, the Rev. Dr. Frederick A. Barnhill, will preach on the subject "The Church and Healthy Homes." At all three services the Spring in-gathering of The United Thank Offering of the Women of the Church will be taken. This offering is presented each three years to the National Council

of the Episcopal Church and in 1961 totalled just under \$5,000. It is used for special missionary activities. The two youth choirs and the Acolyte's Guild will make a pilgrimage Sunday morning to St. Luke's Episcopal Church, Long Beach. Totalling 38 persons, the group will be headed by Christine Tomlinson, Choir Director-Organist and Mildred Brechlin, Church School Director of the local parish. St. Luke's Church was selected for the pilgrimage because of the outstanding youth choirs in this beach parish.

## Horoscope Forecast

By CARROLL RIGHTER

Sunday, May 13, 1962

**GENERAL TENDENCIES:** You now would be wise to use this Sunday to think in terms of what you can do to be of greater help and service to all those who look to you for assistance. Make sure you attend the services of your choice. Then after your good deeds, schedule your coming week so the days and nights can be gainfully occupied.

**ARIES** (Birthdays from March 21 to April 19)—By truly living the Golden Rule, you inspire others who look to you for leadership. Plan a wiser diet for the future so that you increase vitality and are more successful.

**TAURUS** (Birthdays from April 20 to May 20)—You have an opportunity now to do whatever will make life easier for yourself as well as those you love. Use that cheerful smile so that you uplift the spirits of others.

**GEMINI** (Birthdays from May 21 to June 21)—Be very careful today you do not irk those who live with you. Also, there is every opportunity to make life more comfortable and harmonious by a little work, adding artistic pieces to surroundings, etc.

**MOON CHILDREN** (Birthdays from June 22 to July 21)—Others' burdens can be lightened through your understanding and cheerfulness now. Bring friends to church with you, give a little dinner. Be thoughtful and kind in one way or another.

**LEO** (Birthdays from July 22 to Aug. 21)—You don't seem to accomplish what you had planned, but this is due to a friend who has failed to be loyal to you. Plan how to increase income during coming week in early P. M.

**VIRGO** (Birthdays from Aug. 22 to Sept. 22)—Fine time to sit down and analyze how close you are to your cherished goals and what is best to do to reach them more quickly. Get suggestions from a trusted ally.

**LIBRA** (Birthdays from Sept. 23 to Oct. 22)—By perusing information you now have, and through deep concentration, you can improve your philosophy of life today. Cultural pursuits are fine for the evening.

**SCORPIO** (Birthdays from Oct. 23 to Nov. 21)—It behooves you now to make life more pleasant for trusted friends, though it means forsaking own interests for a little while. This pays big dividends in the end.

**SAGITTARIUS** (Birthdays from

Nov. 22 to Dec. 21)—Try not to irk higher-ups or any others who have authority over your affairs today. Otherwise you may forfeit some fine opportunity or benefits that can accrue later.

**CAPRICORN** (Birthdays from Dec. 22 to Jan. 20)—By being more broad-minded now and relinquishing out-moded things and ways, you find that you can get ahead so much faster. Also, listen to ideas of new friends but take no action at this time.

**AQUARIUS** (Birthdays from Jan. 21 to Feb. 19)—A ready smile can be very helpful to others now, but any form of criticism or argument might cause you to lose whatever can be of real interest and worth in your life. Be kind.

**PISCES** (Birthdays from Feb. 20 to March 20)—A cooperative attitude is highly desirable today. Also, be certain you understand the ideas of associates thoroughly. Express your views, too, and cement fine relations.

**If Your Child Is Born Today**  
He, or she, will be one of those delightful children who has an inquiring mind and forever is asking questions. However, teach early not to be so incredulous, else by too much criticism, your progeny may drive others away from him, or her. Whatever has to do with a neat touch and fine finish is the best outlet for your son, or daughter, throughout this fast-moving world.

"The Stars impel, they do not compel." What you make of your life is largely up to "You!"

## Here's How to Protect Self and the Car After an Automobile Accident

**NEW YORK (UPI)**—So there you are, Jane Doe, driving along minding your own business when another car hits yours and pleats a fender.

Or maybe your brakes fail and your car slams into the one in front.

What should you do to protect yourself and your car after the accident?

Jean Kinkead, women's consultant for the Travelers Insurance Companies, suggested the following steps:

—If anyone has been injured, get medical help quickly and then get the name of the doctor attending and the hospital to which the injured are taken.

—Don't make any comments concerning liability for the accident, such as "It's my fault."

Give information only to the police, and don't sign any statements except those prepared for you by your insurance agent.

—Get the make, model and year of the other car and the name, address and license registration number of the other driver.

—Note as fully as possible the damage to your car and to the other car. Secure the names, addresses and phone numbers of witnesses.

—Get the name, badge number and precinct location of the police officer when he arrives.

—Write down the location of the accident. Note the side of the street you were driving on, the direction you were driving, whether or not your lights were on and whether you blew your horn.

—Note the day, date and hour of the accident. Note also the weather and the condition of the street or highway at the time.

Report all the information you noted to your insurance company and to your state's Motor Vehicle Bureau within 48 hours.

## Tariff Changes Hit Meat

By GAYLORD P. GODWIN

**WASHINGTON (UPI)**—Tariff changes in countries making up the European economic community—the Common Market—are beginning to affect world trade in meats and other products, according to the Foreign Agricultural Service.

This customs union is lowering its rates between individual countries. At the same time each member of the Common Market is generally adjusting its tariffs upward for nonmembers of the customs unit in order to arrive at the common external rates.

Tariff adjustments toward the duty-free movement of goods between Common Market countries and the common external tariffs for third countries are scheduled to take place in definite stages. They will be completely adjusted about 1970.

FAS said that generally the proposed common external duties on U.S. meat products shipped to the Common Market countries of West Germany, France, Italy, Netherlands, Belgium, and Luxembourg are higher than the rates previously in effect. Also, as there has been a reduction in the internal tariffs between member countries, U.S. exporters are finding it increasingly difficult to maintain exports to the EEC.

For example, in 1958 West Germany had an import duty of 5 per cent ad valorem on imports of frozen pork livers from all countries. Beginning Jan. 1, 1959, West Germany reduced this rate to 4.5 per cent for Common Market countries. In three other successive stages, the German tariff on imports from France and the other Common Market countries has been lowered until now it is 3.5 per cent.

At the same time the reductions were taking place, the rate on German imports from the United States and other nonmembers remained at 5 per cent until Jan. 1, 1962, when it was increased to 9.5 per cent.

Other Common Market members have been giving similar

preference to members of the customs union. The current Benelux duty on pork livers is 8.4 per cent for imports from France or other member countries, and 14.4 per cent for the United States and other nonmembers. The proposed common external rate for pork livers for the Common Market is 20 per cent.

## Mothers and Daughters to Hold Banquet

The annual Mother - Daughter banquet of the Palm Springs Community Church will be held Tuesday, May 15, at 6 p.m., in the Fellowship Hall of the church. There will be a donation of \$1.75 for adults and \$.75 for children. Mrs. Edward Mullins is chairman of the event and Mrs. Sterling Keyes is co-chairman.

An interesting program has been arranged to include the Burgstahler Trio; a skit by the Junior Girls of the church; the six Harmonettes, from the Palm Springs High School, followed by community singing.

Preceding the entertainment Miss Mabel Culter, founder of Culter Academy for Young People in Los Angeles, will speak on the subject "Working Together." Miss Culter who was once Dr. Blackstone Jr.'s sixth grade teacher in China has a varied background of service. She has served as Dean of Women at Los Angeles Bible Institute, has been a Missionary in China, Japan and Formosa and recently founded an orphanage in Formosa.

### To Visit Son

Mr. and Mrs. Charles Milano of Palm City, will be in Downey this weekend, spending Mother's Day with their son and his family, Mr. and Mrs. Richard G. Rey.

A HAPPY BRIDE, June Marguerite Moores, daughter of Mr. and Mrs. Jules Bihari of this city and Los Angeles, and her bridegroom, Thomas Kelley Murray, are pictured as they prepare to cut their wedding cake.

## Murray-Moores Vows Recited at St. Theresas

Mr. and Mrs. Jules Bihari of Palm Springs and Los Angeles announced the marriage of their daughter June Marguerite (Dee) Moores to Thomas Kelley Murray, son of the Francis I. Murrays of Palm Springs. Father Michael Nolan officiated at St. Theresa's Catholic Church.

The bride was a vision of loveliness in a ballerina length silk organza gown. Pearl and sequin embroidered lace outlined the sabrina neckline of the fitted bodice and the bouffant skirt had matching lace trim. A beaded crown of pearls and iridescent sequins held her fingertip silk illusion short cascade. She carried white roses.

The maid-of-honor, Joan Grossman wore a turquoise silk organza dress with a fitted bodice, square neckline, long sleeves and a round-edged pergola skirt.

Bridesmaids Suzanne Moores and Kathy O'Hara, were lovely in yellow silk organza with fitted bodices, scoop necklines and cap sleeves. Asymmetrical unpressed pleats flowed from under full skirts.

The best man was Trav Rogers Caldwell and the ushers were Rod Johnson, Mike Lester, Jingle Jones and John Murray.

Organ music was provided by Roger Richards and Francine Murray sang "Ave Maria."

The young couple both graduated from Palm Springs High School and will honeymoon at Lake Tahoe. The groom is employed by Hicks and Allred.

The reception was held at the bride's mother's home following the ceremony.

## J.C. Ettes Elect New Officials

Election of officers featured the meeting of the J. C. Ettes, women's auxiliary of the Junior Chamber of Commerce, when that group met at the home of Mrs. Kenneth Jackson.

Mrs. John D. Neil was elected to the presidency, succeeding Mrs. Charles Martin. Other officers elected were: Mrs. Kenneth Parker, vice president; Mrs. Charles Kasper, secretary; and Mrs. Kenneth Christy, treasurer. Installation will take place at the annual Jaycee installation dinner.

Mrs. Martin introduced the two guests, Miss Melinda Hough and Mrs. J. R. O'Neill.

## St. Louis Is Setting For Wedding

A breakfast reception at Holiday Inn followed the morning marriage of Claudia Mary Cordes and Gerald J. Paquette, which took place in the St. Louis Catholic Church in Cathedral City.

The bride wore a gown of silk organza, trimmed with Chantilly lace and a veil of four-petaled net with pearl crown, when they said their vows before Father Joseph Leissler. She carried a bouquet of two dozen white roses, sprinkled with blue forget-me-nots.

Attending the bride, were Mrs. Robert J. Cordes Jr., and the Misses Charlotte Currin and Jane Hicks.

The attendants were dressed alike in ballerina length gowns of powder blue chiffon over taffeta, with matching slippers and hats. Their hand bouquets were of gardenias and forget-me-nots.

Robert Paquette was best man and ushers were Harry Krings and Bernard Paquette.

The bride graduated from Palm Springs High School with the Class of 1961.

The bridegroom, son of Armand Paquette of Hanmer, Ontario, Canada, served four years with the United States Air Force.

After honeymooning in Seattle at the World's Fair, they will make their home in Cathedral City where he is employed with a floor covering company.

## Ask Student To Attend

In keeping with one of the purposes of the American Society of Women Accountants to encourage and promote those starting in their accounting education, the Los Angeles chapter will hold its annual Career Night on Tuesday, May 15, at the Biltmore Hotel, Conference Room 8 at 7:30 p.m. Invited as their guests will be accounting majors from various colleges who have been recommended to the society on the basis of grade average.

Saturday, May 12, 1962 The Desert Sun 7

The pool at Thunderbird Country Club was a float with flowers and a flower-decked boat like the ones at Xochimilco to set the proper atmosphere for the last-of-the-season Rancho Grande Party.

Adding to the effect, many of the guests were wearing Mexican or rancho garb and dancing to the music of the Guadalajara Boys.

It was a perfect night for a pool-side party and the casualness and pleasant change from the many fancy black tie affairs that have starred the social calendar this winter.

Spotlights added to the uncanny realism of the life-sized figures, in serape and sombrero costumes that were also part of the decor dreamed up by Mrs. Rolland Brown and her committee. The one back of the barbeque, where steaks sizzled aromatically, was a nine foot tall, Mexican-type dishes, such as spanish rice and beans were served with the steaks, oxcarts filled with gourds, decorated the tables, and there were strings of colored lights overhead.

The Clarence Browns were celebrating his birthday with a party of friends, including the George Hearsts, John Dawsons and Eddie LeBarons.

Peggy and Randy Christie had among their guests the Barney Hinkles, Dr. and Mrs. John Costello, Peg and Norm Waters, the Howard Morrises, Joe Hales, Walter Sibberts, L. L. Oakes and Dolph Bremers.

With the Glenn Doughtys were the Joe Froggatts, Ralph Singers, Earl Buckinghams, Ed Sayres, Lou Manseaus, Kent Hayes, Margaret and S. P. Manasse and the Rolland Browns.

Among others in the gay crowd were: Paul and Trudy Reynolds, Victor Hugo-Vidals, Ham Hamiltons, R. R. Halls, Harold Coopers, Joe Dennises, John Curcis, Walker Smiths, and the Don McDermotts, who have just returned from a trip abroad. There were around 150 altogether.

Tonight will be a busy night

party-wise. Out at Eldorado Country Club they will be celebrating their fifth anniversary. It's luau night at Shadow Mountain Club, and here in Palm Springs the George Barretts are hosting their annual Oriental Party, which is always one of the most colorful costume parties of the year.

It makes me think of Cholly Angeleno, telling you about it (he could do so much better) but the San Bernardino Chapter of the Wine and Food Society of London, held its 17th meeting, one of those gourmet dinner affairs, here in Palm Springs at Don the Beachcomber.

To get in proper mood, they started out with South Seas Moon-glow and Mai-Tais, accompanied by those superb Beachcomber canapes including a couple I never heard of before, Shew My and Tapa-Tapa, along with egg roll and spareribs (gourmet or no, my own favorite is rumaki.)

The entrees were a combination of Tai Wong Cashew, Lichee Gai, and some others with long names that I must try some time, served with saki. And for dessert there were the fruit combinations, Fong Wong Goon and South Sea Islands, and, of course, Kona Coffee Grog. Here again those San Ber-

nardino gourmets missed Beachcombers' best bet, that divine papaya sherbet in the half shell. Something else that is pretty special is to order a saucer of sesame seed and sliced cold pork. You dip the pork in the horseradish sauce and then into the sesame seed, which prevents burning your tongue and tastes mighty good. Oh, well, with 60 some items on the menu, it takes a little time to get around to all of them.

Anyway, Manager Mel Soran and Chef Clifford Lee were taking bows Beachcomber-style for this dinner.

Dorothy (Mrs. Dan) Dunlap is driving over to Scottsdale to bring home their son Billy, who is a student at Judson School, and they plan to go on to Phoenix to visit Danny, who attends the University of Arizona, which is not out yet. Dorothy will be home by mid-week, as she and Dan are hosting their annual anniversary party at their South Patencio home next Thursday night.

## 'Bo' Tucks Win No. 5 Under His Angel Halo

LOS ANGELES (UPI) — The Los Angeles Angels were in third place in the American League thanks to Bo Belinsky's fifth victory Friday night when he de-

feated the Chicago White Sox, 4-2. The win moved the Angels past the White Sox and Minnesota — and only 2½ games behind the New York Yankees.

Another rookie, Dean Chance, 1-3, tonight takes over the pitching chores against the White Sox. Opposing him will be Joel Horlan, 1-2, who has been defeated three times by the Angels, twice last year.

Belinsky, making his first start since his no-hitter a week ago, was lifted by Manager Bill Rigney in the eighth inning when he appeared to be tiring and gave up two of the six hits charged against him.

But the talkative lefthander in 7-13 innings struck out 11 men for a seasonal high for an Angel pitcher this year. And his five wins without a defeat tied him with Dick Donovan of Cleveland as the top pitcher in the league.

"I thought Mr. Rigney made the right move in taking me out," Belinsky said after the game. "I was tiring."

Reliever Art Fowler then put down the White Sox with a double play to end the eighth inning and retired them in order in the ninth.

Belinsky was hit on the right heel by outfielder Al Smith's grounder in the eighth which

scored Nellie Fox who had doubled. Belinsky was uninjured, but still came out of the game.

The two runs scored off Belinsky left him with an impressive 1.72 earned run average. He hurled five scoreless innings before the White Sox finally pushed over a run in the sixth.

But the four runs the Angels scored off Chicago starter Juan Pizarro by the fifth inning proved enough for Belinsky's victory.

The Angels' collected 10 hits off three Chicago pitchers with Leon Wagner getting a double and catcher Bob Rodgers a triple and catcher Bob Rodgers a double as every Angel in the lineup except the two pitchers hit safely.

Wagner's first inning double scored Billy Moran who had singled and Joe Koppe's bases-loaded single in the fourth sent home Earl Averill and Rodgers. Wagner scored in the fifth after his triple on Felix Torres' single.

## Indians Baseball Team Upset by Yucaipa, 6-3

YUCAIPA — Palm Springs high school baseball nine were upset here yesterday by the Yucaipa Thunderbirds, 6-3, as the T-Birds posted their first Desert Valley League victory of the season at the expense of the visiting Indians.

The Yucaipa stickmen had lost nine straight DVL tilts until Friday's game when they jumped on the Indians starting hurler, Steve Gottlieb, and pushed three runs across in the first inning. They added one each in the second and third innings and closed out their scoring by crossing the plate with another run in the fifth frame.

The Indians scored once in the third, fourth and seventh innings and the big blow of the game was off the bat of Tom Tietelbaum who smacked a home run in the fourth. Tietelbaum relieved Gottlieb in the second inning.

This game closed out the season for the Indians and they finished

with a 16-7 over-all record and a 4-6 record in DVL play.

## Desert Rat Golf Tourney At Tamarisk CC May 26-27

With a strong field of more than 125 golfers expected to enter, the annual two-day 36-hole Desert Rat golf tournament will swing into action at the Tamarisk Country Club two weeks from today, May 26, on Saturday.

This is the last big golf tourney of the season to be staged at the beautiful Tamarisk course and year after year its popularity has pyramided until now it is one of the most colorful and enjoyable events of the year.

Golfers in the desert area who have not made entry arrangements are urged to do so as soon as possible by contacting Nick Turzian at the Tamarisk golf shop.

As in the past, play will be in two divisions. Class 'A' will be for golfers with 0-13 handicaps and Class 'B' will consist of golfers with handicaps of 14 and over. Eighteen holes of golf will be played both Saturday and Sunday to complete the two-day, 36-hole Desert Rat tourney.

## Gary Player Edges Ahead Of Palmer

FORT WORTH, Tex. (UPI) — South African Gary Player carried a one-stroke lead over Arnold Palmer and Johnny Pott into the third round of the Colonial National Invitation Golf tournament today.

Player was one of four players able to equal Colonial's rugged par 35-35-70 Friday and his 33-37-70 gave him a 36-hole total of 138.

Palmer, meanwhile, ran into serious putting difficulties and took 35 strokes on the greens for a 35-37-72, his first over par round since the second round of the Greensboro Open, a string of 11 in a row.

That left the year's big money winner tied at 139 with Johnny Pott, who like Palmer, came here fresh from a tournament victory. While Palmer was winning at Las Vegas, Pott — who had a 36-34-70 Friday, captured the Waco Turner Open last weekend.

Doug Ford and Jack Nicklaus were a stroke further off the pace at 140, Ford with a 36-36-72 and Nicklaus with a 34-37-71.

Player, who came here after a four-week, 23,000-mile vacation trip home to South Africa, sank an 80-foot putt for a birdie on the eighth hole Friday and sank numerous other sizeable ones for pars to cause him to comment that he "holed a helluva lot of putts."

Player, last year's big money winner among the pros, but far behind Palmer's \$52,000 bankroll this season, said he plans to play in the British and Australian opens and also the Canada Cup if he is invited by South Africa, which he has represented for the past half dozen years.

CAPPING a successful season, the bowling team sponsored by the Lido Terrazzo Inc. were declared champions of the Pacemakers League at the Palm Springs Bowl and were presented with trophies following a

victory dinner at That John's. From left: Hugh Kapter; Don Ross; Art Cecchi, sponsor; Jim Inouye and Bernie Bernstein, team captain. (Desert Sun Photo)

## First Softball Exhibition Game Slated Tonight at 8

The Recreation and Special Events Department invites the public to the first exhibition softball game of the season.

The Palm Springs champions, Chuck's Welding, will play the Jacks from Beverly Hills. The game will be played at the Polo Grounds, tonight at 8 p.m. and admission is free.

According to Charlie Jordan, recreation supervisor, this is only one of the many exhibition games that will be played this season.

At the first softball meeting of managers and coaches of previous years, it was agreed that it looks like this year's teams will present the strongest league of them all. New teams such as the Coachella Valley Saltons Valley Equipment, and the new Palm Springs Telephone and Water Company

will compliment the strong league we had last year.

## Colt 45s Shutout Giants

HOUSTON, Tex. (UPI) — The only pitchers that can handle the San Francisco Giants these days are old left-overs from the Philadelphia Phils.

Last Wednesday, Curt Simmons became the first pitcher to go the distance against San Francisco when he pitched a 7-3 win. Simmons was cut from the Philadelphia Phils and allegedly washed up, but St. Louis took a chance on him and he has won five straight.

Friday night it happened again to San Francisco.

### Shutout By Farrell

Hard-throwing Dick Farrell tossed a six-hitter and contributed a tremendous homer to Houston's 7-0 whitewash of the Giants. Farrell is a former Phil and Dodger who has spent almost all his career in the bullpen. He may have earned his spurs as a starter Friday night.

Nobody throws them any harder than Farrell, but he sometimes has control trouble in that his fast ball sails a little and his breaking stuff doesn't find the strike zone. But everything worked to perfection for him Friday night. He fanned nine Giants and was never in much trouble after he walked a couple of men and gave up a single to load the bases in the first inning.

Manager Al Dark, in an all-out bid to even the series, decided to send his ace right-hander, Juan Marichal (5-2) out to the mound today against Houston and Hal Woodeshick (2-1).

Rookie Gaylord Perry started for San Francisco Friday and never got past the second inning. Two walks, a double by Carl Warwick and a single by Bob Aspromonte brought in three runs.

### Larsen Hammered

Don Larsen took over and he also has had better days as he gave up homers to Merritt Rannew and Farrell. Mike McCormick, still trying to find last year's form, surrendered the final runs on a walk, double and two sacrifice flies.

## Snider Swats HR

## Dodgers Clip Cardinals In Nite Game, 8 to 5

ST. LOUIS (UPI) — There's almost nothing the Los Angeles Dodgers could use more than a hot-hitting Duke Snider—and they may have their wish.

Snider, who cooled off a bit after a good start this season, got up just once Friday night against the St. Louis Cardinals. And he slammed a pinch-hit triple with the bases loaded off the left centerfield wall to send the Dodgers on their way to an 8-5 victory in the opener of a three-game series.

The clubs, still fighting for second place in the National League,

meet again tonight at Busch Stadium with Sandy Koufax (4-2) pitching for the Dodgers and Ernie Broglio (1-0) for the Cardinals.

Snider's blast may have done more than just win a game. It could have ruined St. Louis' chance for a championship.

The Cards' centerfielder, Minnie Minoso, crashed into the fence chasing Snider's wallop and suffered a skull fracture. He was carried off the field on a stretcher and probably will be out of action for several weeks.

Minoso's loss could temporarily rock the Cards, who got off to a fine start this season.

By its victory, Los Angeles usurped undisputed second place ahead of St. Louis and three games behind league-leading San Francisco which got blanked by Houston, 7-0.

In all, the Dodgers got 16 hits of three Cardinal pitchers in handing St. Louis its sixth loss in eight games. Catcher John Roseboro led the attack with four, while oversized Frank Howard and skittering Maury Wills had three apiece.

Stan Williams got credit for the victory, his second against a loss, although he needed relief from Ed Roebuck and Ron Peranowski in the final four innings.

The Dodgers also had injury problems when speedy Willie Davis was hit on the wrist with a pitch by the Cards' Ray Sadock. He left the game, but X-rays showed no fracture.
